

PCC 8th Gr. Science Experiment Timeline

Sept - Oct 2018	Learn about science experiment, choose topic to study
October 15, 2018	Background research report due
October 29, 2018	1st Draft of Experiment Plan due
Nov. 12, 2018	Final Draft of Experiment Plan due, Parent Signature due
December 2018	Collect materials for experiment; Optional: set up experiment
Jan. 7-Feb. 4, 2019	Carry out science experiment, record data (start earlier if necessary)
Feb-March 2019	Write about experiment (tables, graphs, lab report, display board)
April 1, 2019	Present experiment at PCC

Science Experiment Dates:

Set up experiment and begin recording data.
(Students might need to begin their experiment in December.)

Data log checked in class. (experiment still ongoing)

Experiment should be complete. Finish recording data.

No class, President's Day

Data log, tables and graphs due.

Science experiment lab report due.

Completed science experiment binder due.
Binder includes 4 sections:
(research rpt, lab rpt, data tables & graphs, original data sheets)

Display boards and oral presentations due in class.
