

PCC Science Honor Code

Whoever can be trusted with very little can also be trusted with much, and whoever is dishonest with very little will also be dishonest with much.

Luke 16:10

Have the confidence in yourself to give your original best.
Plagiarism and cheating have no place in a community of scholars.

Please initial and sign the PCC Science Honor Code:

- Out of a desire to honor God, I pledge to value the integrity of my ideas and the ideas of others by honestly presenting my work, respecting authorship, and striving not simply for answers but for understanding in the pursuit of our common scholastic goals. In this way, I seek to build an academic community governed by our collective efforts, diligence, and Code of Honor.
- I affirm that I will not plagiarize, use unauthorized materials, or give or receive illegitimate help on assignments, papers, or examinations.
- Committing to this code demonstrates my respect for myself and PCC as we strive to glorify God and love others.
