

PCC Science Honor Code

Whoever can be trusted with very little can also be trusted with much, and whoever is dishonest with very little will also be dishonest with much.

Luke 16:10

Have the confidence in yourself to give your honest best work.
Slacking, plagiarism, and cheating have no place in a community of scholars.

Please initial and sign the PCC Science Honor Code:

- _____ Out of a desire to honor God, I pledge to value the integrity of my ideas and my effort. I will not simply strive for completion but also for understanding.
Simply: I will try my hardest to do my best work and learn as much as I can.
- _____ I seek to build an academic community here at Prudentia governed by our collective efforts and diligence. Simply: When I complete my work well, it helps the whole group.
- _____ I affirm that I will not plagiarize, use unauthorized materials, or give or receive illegitimate help on assignments, papers, or examinations. Simply: I will not copy from someone else and call it my own work.
- _____ Committing to this code demonstrates my respect for myself and PCC as we strive to glorify God and love others.
